

The Biblical Solution®

A Multi-Nutrient for Total Body Nutrition*

At Roex, we are driven by our commitment to develop new and innovative products with the best ingredients available to support and benefit the structure and function of the human body. Many times it's a very long and complicated process that leads to the addition of a new product here. However, with The Biblical Solution®, the process seemed much less complicated for one very simple reason; we went back to the basics, back to the beginning.

“The leaves of the tree are for the healing of the nations.”

Revelation 22:2.

“Fruit trees of all kinds will grow...their fruit will serve for food and their leaves for healing.”

Ezekiel 47:12.

Take a moment to think about these simple passages from the Bible. Everything that we need not only for basic survival, but what we need to thrive and flourish, surrounds us in nature and has since the beginning. God has provided all of the fundamental nutrients needed for each and every one of us to lead a healthy and full life. Roex developed The Biblical Solution® with the idea of simple God-given nutrition in mind. Every single ingredient in this formula is rooted in scripture and has long storied uses and health benefits that span cultures, continents and civilizations.

It's no secret that plant extracts and herbs have been used throughout history to offer support of varying types to the human body for reasons too high in number to count. In fact, many of today's medicines originate from plant-based sources. It's easy to look to nature and see the many benefits it affords us nutritionally, but what tends to be overlooked is that God is the provider of these bountiful sources of nutrients.

The thinking behind The Biblical Solution was to get back to the basics, get back to the simple and proven goodness that from the beginning was intended to be our source of sustenance. It was from there that we took some of the most nutrient rich foods, herbs and extracts mentioned in the Bible and applied it to this biblically backed multi-nutrient formula.

What You Get With The Biblical Solution®

Each ingredient contained in this formula was selected both for its direct reference in the Bible and the nutritional value it provides the body. The combination of the nutrients found in The Biblical Solution® work to support multiple systems within the body. While biblically derived, today's research amazingly identifies specific nutritional benefits offered by each ingredient that supports overall health and wellness. If there were ever a nutritional supplement that was intended to provide balanced multi-nutrient support, The Biblical Solution® would be it.*

Key Nutrients Found in The Biblical Solution®:

Olive Leaf Extract: Exact extract used in Roex Oleuropein and provides powerful immune support.*

Grape Seed Extract: Exact extract used in Roex PC-95® and offers the body cardiovascular support.*

Pomegranate Fruit Extract: Known for its powerful properties as an antioxidant.*
